

As we begin a new month
Of our learning in grade three
I hope your child has settled in
To school expectations and routines.
This month, we'll be learning plenty
About poetry galore
And take a peek at rural and urban
To expand our minds some more.
We'll read lots and lots of stories
About Thanksgiving and Halloween
Plus create the spookiest menu
That the class has ever seen!
Just please note, dear parent
To take that daily look
Of your child's agenda
That usually says, "Read a book!"
I'm thoroughly enjoying
Getting to know each and every angel
That come in my door each morning
At the ringing of the bell!

Happy October!

Love, Mrs. Ducharme
