Dear Grade 7s and 8s:

Welcome back to another exciting school year! I hope you had a great summer and I look forward to hearing all about it. As a member of the grade 7/8 class, you will be involved in new and exciting learning opportunities. I anticipate that you will be a leader; not only in the classroom, but throughout the school.

The grade 7/8 curriculum is challenging and demanding. My hope is that you to come to school each day prepared to learn. All necessary materials, books, homework assignments, and agenda should be at school everyday. In terms of school supplies; a calculator is required. As well, gym clothes and a second pair of shoes are needed. The school will provide pens, pencils, duo tangs, notebooks, Bristol board, ruler, markers, art supplies and glue. I will be using a classroom website to document necessary information such as homework and assignments but also any upcoming events. I will be trying something new in this class; "Blogging" and as I moderate this I welcome your parents to view the work you will be engaging in.

I look forward to having you as part of the class and working together with you and your parents to make this school year successful and enjoyable. Please do not hesitate to call me at the school (519- 527-0321) if you have any questions or concerns. Enjoy the long weekend!

Sincerely,

Ms. Carter

When packing your lunch, please note that the classroom is NUT-FREE!
